

Dear customer,

In an effort to solidify our position as a leader in the OEM medical device market, Elcam Medical will launch a new corporate identity in the upcoming Medica.

Following the acquisition of Injectech LLC (2009) and Lucomed Spa (2010), we felt that updating our brand and company identity will better communicate our strengths and advantages. The new look of Elcam Medical promotes our ability to offer our customers a One Stop Shop with the widest range of high quality disposable medical devices for fluid control, and our commitment to keep providing you with unparalleled Customer Experience.

**Come and visit us in Hall 8a/ Booth E28
(Medica, 16-18.11.2011)**
